

# **BRETFORTON COMMUNITY SOCIAL CLUB**

## **COVID-19, SAFETY RULES**

*Please read & familiarise with these new guidelines*

- 1) Please enter the club through the main front door and pay attention to the queuing system marked with tape on the floor and sign posted. Use the sanitiser provided as you enter.
- 2) Please order drinks at the entrance end of the bar. Move to the centre to pay (preferably contactless please) then pick up your order from the far end of the bar. Simple.
- 3) Take a seat and respect the social distance rules marked around the club. No sitting or drinking at the bar will be allowed!
- 4) Feel free to use the toilet at any time, but one out-one in so queuing on the tape if occupied. Make use of the disabled if needs be and make sure you use sanitiser on the way in and wash your hands for 20 seconds before leaving.
- 5) When you've finished your pint please put your empty glass on the collection table by the centre fire exit. Please DO NOT bring it back to the bar.
- 6) When you leave the club or exit to use the garden, you MUST do so through the centre fire exit door and no other. To re-enter use the front entrance.
- 7) Everyone is welcome to use the club but, in line with track and trace, you will have to be a member. If you are not already a member then please ask at the bar for an application before you can be served.

See - not too complicated!!!

Finally, the aim is to provide you all with a safe, social life again, but you will need to respect the rules! Police will be performing spot checks on social distancing and practices around the spread of COVID-19. They do have the powers to fine you, the club, and even, close-down the club. Do not be surprised if you are asked to leave for not respecting the rules! NO EXEPTIONS!!!

Please note: It is a complete myth that we will be selling out of date beer! HMRC have watched us destroy it to claim the duty back. So, rest assured, all the new stock is fresh and well in date.
